ANNUAL REPORTS FOR THE YEAR 1958

THE SESSION

The regular meetings of the Board of Elders were held throughout the year with an average attendance of twelve Elders present at each session. The meetings were opened with prayer and scripture reading and closed with prayer by the Moderator, Rev. George F. Ott.

In the January Meeting the subject was brought up as to making necessary changes to the Constitution and By-Laws. After discussion of the Constitution and By-Laws, proposed changes were offered and accepted by the Session and to be presented to the congregation at the next congregational meeting. The proposed changes were duly accepted by that body at the meeting of January 9th.

At the February meeting Rev. Albert Sunderworth was extended an invitation to speak at our church prior to his trip as a missionary to Brazil.

At the March meeting a detailed report was given on the Southwestern Area Meeting of the National Council of Presbyterian Men. These meetings are of real spiritual value to all who attend. Rev. Wayne Amsler was invited to speak at our church during August. The Pastor was given permission to attend Synod of Kansas School of Evangelism. A report was given by Howard Ray on action taken by the Board of Trustees concerning church property. Approval by the Board was given by the Session to carry out their recommendations.

At the April Meeting the Pastor was asked to contact Rev. E. Romero as a prospect for missionary elect. One of the high lights of the year was presented when Don Ray presented himself to the Session as a candidate for the Gospel Ministry and was examined as to his qualifications for this work. He was found fully qualified as a candidate to be presented to Presbytery's committee on Christian Education.

The May Meeting had another high light when Bob Carpenter presented himself as a candidate for the Gospel Ministry before the Session. After examination he was found to be fully qualified to be presented to the Presbytery's Committee on Christian Education.

At the June Meeting a motion was made to be presented to the congregation that evening services be discontinued during July and August.

At the August Meeting the representative of the Pyle Construction Company met with the Session and explained their company and various ways of building and their cost on building an educational building according to present educational building plans. It was voted to have an every member canvass with 5% of members income as the goal.

At the September Meeting approval was given to the Trustees to draw up an initial budget to be approved by the proper authorities.

At the October Meeting motions were made that the Session sanction the setting up of a fund to be called The Calvary Student Ministry Fund and that the Fund be administered by the Board of Deacons. Also to the effect that beginning 1959 the church support and underwrite the work of national missionary, Rev. E. Romero of Chimayo, New Mexico to the amount of $1,500.00

At the March meeting Francis Spear presented himself as a candidate for the Gospel ministry before the Session. After examination he was found to be fully qualified to be presented to the Presbytery's Committee on Christian education.

REPORT OF THE SESSION - Cont'd

At the November Meeting a motion was made and carried that the combined Boards of Elders and Trustees present to the congregation the 1959 Budget for $15,727.50. Also that the Benevolence Budget as proposed be presented to the congregation.

At the Congregational Meeting, November 20, 1958 the Benevolence Budget presented was the same as 1957 except $1,500.00 will be taken from Central Receiving Agencies and sent to our missionary, Rev. E. Romero. As of this date, November 20, 1958 the Building Fund has in its saving account, $20,306.48.

At the December meeting Rev. Ott was given permission to take his fourth Sunday off for the purpose of candidating at the Grace Presbyterian Church in Milwaukee, Wisconsin.

Truly God has blessed Calvary Presbyterian Church this year. Many things have been done to Glorify Him. But many, oh many things remain yet to be done. So let us as individuals and as a church body ever seek ways to Glorify Him through our Saviour Jesus Christ to whom be the power and the glory.

Harold Pope
Clerk of the Session

TRUSTEES REPORT

The Board of Trustees met monthly to examine the bills and look after the church property.

We have accomplished quite a bit in the year 1958. These are some of the things we have done to the church property in 1958:

A new kitchen sink, garbage disposal and new linoleum put in the Manse kitchen.

Paint was bought to paint the wood exterior of the church.

New curtains and traverse rods were purchased and put in the basement of our church.

Material was purchased to install a new light at the outside rear entrance to the church basement. Electric labor on the installation of the light and the wiring of the garbage disposal was donated by Mr. Joe Brown.

These improvements were done in addition to meeting current bills.

We have been able to meet all these bills this year only by you people giving of your money and your faith in God. May we continue to go forward.

Yours in Faith

Newton Stewart
Secretary

PASTOR'S REPORT-- 1958

This has been a wonderful year at Calvary. This has been an outstanding year. Not from the standpoint of any astronomical growth...not from the standpoint of church finance...not from the standpoint of new members received...not from the standpoint of material gains within the structure of the church proper...but because this year of 1958 Calvary has launched three young men into the ministry. Don Ray...Richard Carpenter...and Francis Spear. This has made 1958 an outstanding year.

This is the purpose for which the church is a church. It thus propagates itself as the embryonic minister is born of the spiritual tone of the church. Men are not sent out to preach the Gospel from a church that has been unspiritual. And I must also say that a church does not become spiritual in its over all life through the administrations of any one man. A church is made up of people...people who have lived not only for five years but for five and seventy-five or more years within the one church. This means then that the spiritual tone of a church is a result of many pastors and many administrations and many ministries within and without the church and no one faction can be said to have been the reason of it.

So if this year of '58 has seen these three men directed to the service of Christ through the ministry it is because of the church as a church. Our prayers and best wishes go with them and I hope that the Board of Deacons will set up some kind of plan whereby they will be able to keep in contact with them periodically and make this report to the church from time to time.

On the more academic side of the picture the following report is given in regards to the minister's activities.

105 sermons preached
30 new members received
11 funerals conducted.
2 marriages performed
10 baptisms
15 special addresses
One preaching Mission
Directed 30 choir rehearsals
Attended a three day seminar on Evangelism
Served on Presbytery Committee of National Missions
Wrote 46 articles for the weekly paper
Conducted Bible studies in Old Testament throughout the year
Made numerous pastoral calls and hospital calls
One radio broadcast
Attended all Presbytery and Synod meetings
Wrote numerous letters

CHURCH SECRETARY'S REPORT FOR 1958

Following the annual congregational meeting held in January 1958, the secretary compiled a directory consisting of the various departments of the church and names of the officers, the yearly reports of every department and an alphabetical list of every member's name address and phone number. Each family received one of these directories.

The weekly paper, The Calvary Presbyterian, was compiled, edited and mailed, one to each family. The paper was mailed to friends who have moved away and to pastors of other churches upon request. An average of 260 were mailed out each week, a total of 2,220 for the year.

Bulletins for the Sunday morning worship services were mimeographed each week, also for special services. During the last week of July bulletins were made for the month of August for the pulpit supply, at which time the secretary was on vacation.

Four special letters to the congregation were mimeographed and mailed. The boxes of church envelopes for the new year for the youth of our church were addressed and mailed in December.

The list of names of those who receive the Presbyterian Life Magazine sent from the office in Philadelphia was corrected and the names added of the new members who joined the church in '58.

The yearly statistical report for General Assembly was made and sent to the Stated Clerk of the Wichita Presbytery.

The secretary also acted as receptionist, answering the telephone relieving the minister from many small details.

As many parish calls as possible were made. The weekly meetings and youth activities of the Intermediate-Junior Fellowship were directed by the secretary, also taught the Lamplighter Sunday School Class, participated in the choir, made the monthly schedule for the weekly fellowship snack and was made director of the Daily Vacation Bible School. Also attended as many Circle meetings as possible.

The church membership roll is kept up to date and the record of marriages and deaths.

Approximately twenty-five hours were spent each week in the church office.

Respectfully submitted
Mrs. George F. Ott
Church Secretary.

REPORT OF THE SUNDAY SCHOOL FOR 1958

There were five meetings held by the S. S. Council during the year 1958. There was an average attendance of five officers and eight teachers present at these meetings.

In March the S. S. purchased twenty-five chairs that were badly needed for class rooms. There were tables bought also at this time.

There were three programs given during the year, an Easter Program, one on Rally Day, September 28th at which time the awards and pins were given; and a program at Christmas time with treats for the children.

In march at the close of the attendance contest which began in November, 1957 those receiving Bibles were: Gary Sage from Mrs. Hill's class, Mike Jessup from Mr. Humphrey's class and Pat Christmas from Mrs. Jessup's class.

We have enjoyed the opening exercises during the past year, the many musical numbers, the talks and programs presented by the different classes, but at the December S. S. Council meeting it was decided to cut the time again for a three month trial period and allow the teachers to have a longer class session.

The Round-Up which met again September 27th at the 4-H Club Building was a huge success and was one of the high lights of the year for the Sunday School.

During the month of September we decided to send two of our teachers each Sunday morning to visit the class rooms of different churches to observe their teaching methods and to see the results they are getting.

The second Thursday in October we held our first Family Night and had such a good time that it is now going to be held the second Thursday of every quarter beginning in February.

Mr. Don Ray donated a trophy case to the church this fall and it is now set up in the basement displaying the many trophies won by our church teams.

Our average attendance at Sunday School for the year was 168.

The new officers elected for 1959 are:

Assistant Superintendent	Mr. Vernon Rennaker
Treasurer	Mrs. Luella Heiney
Secretary	Mrs. Rosalee Glasscock
Librarian	Mr. George Humphrey

DEACON'S REPORT

The Board of Deacons had four regular meetings and three special meetings for the year.

Action was taken on six occasions to give financial assistance to those in need.

We divided and delivered the Christmas baskets, and used the Deacon's Fund to buy a chicken for each basket.

In January and March, we assisted Rev. Ott by making personal calls that he would normally make. The purpose of these calls was to secure information and to advise our minister on whether or not to follow up these calls.

For a note of interest, all three retiring deacons, Clifford Lehman, Francis Spear, and Emil Jessen, moved away.

This kept the rest of us busy about every Sunday morning and we surely welcome the help of the newly elected deacons.

On February 2nd the youth group from Bethel Presbyterian Church was invited for snack and our meeting. Twent-two came from Bethel and there were eighteen of our members.

The Valentine Banquet for the Junior Fellowship group was held on February 13th at 6:30 p.m. After the dinner the King and Queen were announced and crowned to reign over the rest of the program. A wonderful time of fellowship was enjoyed by those attending.

Something new was tried by the young people on February 20th - a progressive dinner. The four courses were served at different homes, with fifteen hungry young people devouring the appetizers and ending with twenty-four for dessert.

The Spring Retreat was held at McCalsin's Cabin on May 23rd and 24th. Much was accomplished as well as everyone enjoying a day and a half of Christian fellowship. Meetings, projects, and parties were planned for Summer and Fall with a short devotion period Saturday morning and a Bible study Saturday afternoon. A tired, but happy group returned home after supper.

Summer parties were as follows: On June 20th, our group had a picnic at Joyland. Sunday, July 20th the group journeyed over to Lake Eldorado with Bud Weaver's boat in tow for a boating party. Duane and LaVerne Jessup were there ready for passengers, too. The sky was covered with rain clouds, but it didn't dampen the spirits of the group (not yet anyway.) The sponsors were in charge of the meeting which was to be after the evening meal, but since the evening meal was accompanied by rain, the meeting was postponed until the next week. Swimming at the Joyland Pool was enjoyed by everyone on August 16th.

The Fall Retreat was held at McCaslin's Cabin on October 10th and 11th. Like the Spring Retreat much was accomplished and there were periods of fun. Although we lost several members since the retreat in May, through college, moving, and the service, we gained several when the freshmen were promoted to our group from the Jr. Fellowship. We were glad to see them!

In November we had a hay rack ride starting at 5:00 p.m. and traveling to Leon, Kansas. On the 24th, a skating party was held at Skate Land.

December 9th the young people met at the church and decorated two Christmas trees. On the 23rd the group went Christmas Caroling with a party following to warm everyone. The watchnight party and service was held on December 31st.

INTERMEDIATE - JUNIOR FELLOWSHIP
1958

The Intermediate-Junior Fellowship have met each week on Sunday evening at 6:30 p.m. with Mrs. George F. Ott as our sponsor.

The secretary keeps a record of our meetings each week. There was an average attendance of thirteen.

The Books of the Bible are being learned and a Bible Drill is given each week by Mrs. Ott.

Every member is asked to take part in the meetings and some very interesting object lessons have been given.

A few parties were given during the year. At the Christmas party a business meeting was held and the 1959 officers were installed by Mrs. Ott

An Offering is taken each week. We gave $20.00 to the Building Fund and $8.00 was given to the Deacons for the purpose of buying food for the Christmas baskets.

We now have $4.46 in the treasury.
