October 1943

Dear Members:

Another beautiful Kansas autumn seems to be just around the corner and another busy year for Project Beauty has begun. Our Membership Coffee was a truly grand way to start the season! The weather cooperated and we had a record attendance. We want to thank our members Elaine Haffner for sharing her lovely home with us. We were also delighted that Mrs. Sam Haffner and three beautiful young girls joined our group. This is a special birthday year for Project Beauty. It was 15 years ago that our organization was founded by Lela Miller. Our special thanks also to Doris Fawcett who was our original and capable coffee chairman. Marie Kuhn, on top of all the other jobs she does for PB, was Doris's assistant. Thank you Elaine, Doris, and Marie for a beautiful morning. Our appreciation also goes to all our wonderful Board members for being the backbone we leaned on and for their help as necessities and kitchen duty.

Lila Miller, our Membership Chairman reports that we have 30 new members and 131 memberships renewed at this time. We welcome the new members and we want to remind any of you who have not paid your dues to send your check to Lila Miller, 1044 Nevada St., 67212. If you have name or address corrections, please let Lila know. All through the year we hope you will invite your friends to join us.

Ellyn Turner and Colleen Robertson-Birchard showed our sculpture film at our Membership Coffee. Some of you had not seen it and enjoyed the opportunity to view the film. Since July, it has been shown five times. To this date, the film has been shown 137 times to 5,263 people. If you know of a group who might like the film shown, call Ellyn at 397-9348 or Colleen at 943-7574.

Once again we are going to sell these marvelous pecans you all bought last year for your holiday baking. Virginia Gregory is now taking orders at \$4.95 per pound for the big, hamlet walnut halves. These are great for gift giving too! They are a beautiful gift when put into a colorful tin and they can be frozen for use later. ORDER NOW!

Project Beauty always seems to have lots of things going on! We are already thinking about a beautiful Holiday season. Our "Philly" Ladies are getting arrangements underway for our Holiday Fairmarket sale. They will be beautiful and very reasonably priced. Since this is one of our major fund raisers, we hope you will help. As soon as the price list and the order blanks are ready, we hope you will contact your churches, clubs, and business friends for orders—as well as ordering plants for yourselves and for holiday gifts. Keep this event in mind and we will hear more information later.

Kathleen Childs has an exciting year planned for us! Our October 20th meeting will be both educational and fun. We are to meet at the Senior Services Bldg. at 338 W. 10th St. in Topeka. We will have a very brief meeting and then coffee and music will be served. You may also take a moment to view Project Beauty's landscaping efforts of last year. At 11:30, buses will take us to the Junior League's "Whitewash" Tour which will last 2 hours and will return us to the parking area at about 1:00. Registration is not needed.

By check to Kathleen Childs, 2919 Berkeley, 67204. The cost is \$2.00 and all reservations and cancellations must be received by October 14th. We are reserving 2 buses, which will accommodate 50 people. Therefore, we encourage you to get your reservation in immediately to Kathleen. We think it will be a really great meeting!

You will be hearing from our team of great girls - our telephone committee - all during the year. Elaine Sinclair and two other girls do a magnificent job of getting everyone informed of our activities and taking reservations. Please help us make their job easier by leaving notes. If you have an unlisted number or your caller has not been able to reach you by Sunday before our Thursday meeting, please call Elaine at 946-7366 to make your reservation. Remember, this month, however, all reservations are to be made by check in advance of our tour.

A Note of Thanks to Lila Miller, "Mrs. Beautiful Wichita", for sharing her Lincoln home with us at the Membership Coffee!

We think it is going to be a really exciting year for Project Beauty! We have a great Board to lead the way, some programs and events planned and a lot of enthusiastic members - what more could we ask for. We hope to see you October 20th!

Sincerely,

Sharon

November 1983

Dear Members:

It was a lovely, rainy weekend day, but about 70 hearty souls met at the Senior Services Wing, for drinks and coffee and then searched buses and enjoyed a great "Kitchen Sights Tour". We had a good time and we missed those who were not able to join us. Our thanks to Kathleen Childs and Barbara Carlson for the arrangements and to Elaine Allen and Pauline Hansen, our hostesses - and our special thanks to Gladys Sinclair and her callers.

Our NOVEMBER MEETING sounds like an exciting one!

The date: November 17

Time: 11:30 PM

Place: Wichita Country Club

Cost: \$6.50

Hostesses: Gladys Blankenship, Roberta Fietzsch, and Jeanne Adams

Guest Speaker: First Lady Karen Corbin will tell us about "Exploring Cedar Crest"

Special Guest: Rep. Margalee Wright

RESERVATIONS ARE A MUST! Our great callers will contact you for reservations. Cancellations and all reservations must be made by Monday afternoon November 14th. YOU WILL BE BILLED FOR RESERVATIONS NOT USED. Members who do not have a telephone listed, may call Gladys Sinclair at 930-7346. We are also requesting, in order to avoid a long line, that you pay by check if possible - otherwise please have the correct change sealed in an envelope with your name on it. We had marvelous attendance all last year and we anticipate the same enthusiasm this year. We think this method will speed things up a bit at the door.

You have by now received your new cheery green Project Beauty Yearbook - thanks to Mavis Rumm. If you have not received your copy, call Mavis. It's beautiful and so small, Mavis did a super job on a big project!

Lila Miller, MEMBERSHIP CHAIRMAN, is still collecting memberships daily. If you haven't joined this year, mail your check to Lila, 1644 Nevada Ct. 67217. We need your support!

Our MEMORIES, Dorra Peterson has been busy snapping pictures for our scrapbook. If you see Dorra and her camera, SMILE!

The Sculpture Film was shown to the WCU Dames in October. To date, it has been shown 138 times. Suggest our film to your organization - call Ellen Farmer or Colleen Fritchard.

The CDs are ready to be shipped and many of you have already mailed your order to Virginia Czapary. Hopefully we will have pecans available at the November meeting. They are gorgeous big halves and they are \$4.50 per lb. If you haven't ordered - call Virginia at 888-7574. They were great gifts.

The holidays are just around the corner and it's time to take PERSONAL enclosed you will find your order blank and price list for this year's sale. Our Four "Toucanette Ladies", Bea Connolly, Cudrin Austin, Ruth Guthrie, and Jerry Anderson are here at work and doing a super job but they need your help. Please order for yourself and for gifts giving and contact your beauty salons, shops etc. for their orders. All members ORDERING must include payment with their orders and all businesses will pay when their order is delivered. Last year we had a number of plants that were not picked up and BB had to pay for them. We are planning to have both an east side and west side pick up point for the convenience of members. Make your holidays beautiful and support Project Beauty at the same time!

...and speaking of the holidays, Project Beauty has once again contributed \$100 to the Downtown Wichita Holiday Lighting Fund.

If you have any suggestions for a Project Beauty project - call Sally Dewey.

Reaffirmation Chaiques Irene Dewey needs your help! She has been busy all summer and fall meeting Reaffirmation citations but she always needs your input. We need beautiful race locations (just an address is sufficient) and names of businesses who have made their buildings or grounds beautiful. In February, we will have a complete list of our needs for the next few months. We want to issue lots of awards this year. Please help us! Call Irene.

WELCOME! We want to welcome these new members to Project Beauty. We are so glad to have you join us and we hope will be seeing you all at the November meeting. Please add these names to your yearbook.

Dear Members:

February 1984

We hope that you all enjoyed a happy holiday season and are now ready to help make 1984 the best year ever for Project Beauty!

Our February meeting is going to be one we think you will all want to miss. Kathleen O'Neil has invited Margaret Schmalzer-Lewis to speak to us on "How to Grow with Money News." It is the month of what seems like POTENTIALLY left us with an array of lovely old homes and it will be fun to hear of what place in our city's history and to see the homes of these Wichita lawmakers.

Date: February 1984
Place: Shaker Club, 4201 C. 7th
Time: 12:30
Cost: \$8.25

Hostesses: Doris Payne and Cecelia Pridemore

REGISTRATION AND A BILL! We are asking once again that you either pay by CHECK or CASH the PROJECT BEAUTY dues to our CHAIRMAN, seated, with your name on it. That really helps our busy Treasurer, Lucille Wagner, at the door. Also, telephone chairman, Gladys Sinclair has asked that we adopt the following policy concerning registrations:

1. For ALL CANCELLATIONS, call 945-7300.
2. If you cannot attend PLEASE call, you will be billed for a luncheon, unless someone calls for a late cancellation and takes it.
3. Callers will make no more calls AFTER Saturday night.
4. If your caller was unable to get you, and you want a reservation, call 945-7345.
5. If you call for a reservation AFTER business, you will be given one only if there is a cancellation.

As you can imagine, with our big membership and attendance, reservation taking is a huge job and Gladys and her wonderful committee perform what miracles each month! We therefore ask your cooperation in this matter as it will make their job easier and more efficiently done. We thank you for your help.

A record number of members and their guests enjoyed our November Luncheon. We went to thank the girls who put it all together and made it such a lovely afternoon. They were Barbara Carlson, Alice Martin, Gladys Stoenemann, Hester Finkbein, Joanne Adams, Gladys Sinclair and Lucille Wagner!

At that meeting, Willy Parous presented Project Beauty with a check for \$36.70 for luncheon orders from members taken last fall. At the same time, she gave us 100 THREE DOLLAR to welcome our Invited Service Center. Watch for a program about it soon at the Center this spring. Thanks so much, Willy, we appreciate all that Willy does to make our city beautiful.

Beautiful things are about to happen--our CARWASH SALES Chairman, Dora Timmerman and Jeanice Thomas have completed plans for our spring sales. We will be selling flowers at the Court House, 4th Financial Center and the 1st National Bank on Valentine's Day (Feb. 14), the day before St. Patrick's Day (Feb. 18), and National Sockmakers' Day (Apr. 25). If you did not sign up in the fall and would like to help on any of these days, call Jeanice at 765-8380 or Dora at 683-1287. Everyone needs to help make these sales successful. Also they have asked us to contribute bad wines (any color, size or shape), dessert bottles (small) and the orange plastic hats that your newspaper is delivered in during bad weather. Please save these items for us and by all means SUBMIT THE CARWASH SALES! If you wish to order in quantities, pre-orders may be placed with either Jeanice or Dora.

Our WILSON BRIDGEVILLE day was a tremendous success! Our proceeds were a whopping \$1,046.97. It was a huge job at a busy time and our committee really shined. Our thanks go "BIGGEST" to: Peg Connelly, Chairman and her committee Jerry Anderson, Ruth Guthrie, Lucille Rustin and the Howard, our great aide location personnel we appreciate your labor of love.

The SPRING SALE, according to Chairman Virginia Gregory, has gone great quite too. We do have some people left and for your convenience, Virginia will have them for sale at the February meeting. Virginia, with the help of lots of you, has done a super job. Let's finish this sale in February.

Our SOULCURE Film Chairman has reported that the film has been shown 143 times to 6,470 people. Great, Ellen and Colleen!

...and talk about all activities -- RECRUITING CHAIRMAN, Irene Harbo has been busy! The following are names of individuals and Subscribers who have been awarded Project Beauty!

Profile on
Frank Good

World War I ended Nov. 11, 1918. That I was born in Northeast Kansas eight months later may be the most momentous happening that you can mention about me. Lastestwise, I haven't swayed the course of human events in any greater measure since then.

Being a preacher's kid, we moved around a lot. Our family was in St. Louis for a while and then we moved to east central Nebraska. Grade school there was not notable, except that when the kids, at recess, called me "Preacher's Kid, Preacher's Kid" I knew I was supposed to chase them ... I didn't really know why. I could match all of 'em ... that's the reason I took a special shine to Olive, or not.

In the Dirty Thirties we moved to Eureka, a few leagues east of Wichita. Several of you can recall many days in that period when fiercely black, blinding clouds rolled in from the South and West. I remember walking home to lunch and back to Mulberry School under the street lights because of that loathsome, choking dust.

The repulsively loud, jarring power lawn mower had yet to make the scene. Our family's push mower and I were close summer-time companions. Thin, barefoot strapping that I was, I grunted and struggled behind that mower all summer long for the princely sum of 10¢ and hour ... cash. Oftentimes, after a particularly sweaty mowing job, I'd blow my whole treasury on a thick, thick salt (2¢) at the town's Rexall Drugstore. If I get to heaven, I hope Paylike is still at the soda fountains she'd put, not one, but two heaping scoops of that divinely theotomous malt powder in, especially for me -- if her boss, the druggist, was 'way back in his office.

In my last year of high school we moved to a parish west of Hutchinson; I never tell anyone where it was, because no one's ever heard of Pieta. With only 5¢ ride in the whole high school, I had a blast. We didn't try out for sports, music and drama ... we were drafted! Everyone had to participate of sheer necessity. What preparation for future years!

Off to college. I attended Park College, a small, distinctive institution near Kansas City. I came away with not only a unique education ... but also my wife, Mary, a student there, also.

With a degree in music, I headed for my first -- and last -- school teaching job, at a small school in Northwest Missouri.

I gravitated to aircraft work during WW II and then to the oldtime Wichita Beacon. One day the managing editor said, "Mr. Good, I want you to write a garden column for Sunday." Painfully, I did ... and the next Sunday and the next. He

profile, page 2

said, "Mr. Good, I want you to keep writing garden columns till I tell you to quit." Well, Frank Gilman has long since gone to his reward ... and he hasn't yet said, "That's enough."

Giving All Year Around: Special Groups You Should Know

The Deepwack County Medical Auxiliary, Dodge City Hospital Nurses, Trinity United Methodist Church of Hutchinson, Delta Theta Tau Society, and the Optimist Club of North Wichita. What could these groups have in common? Ronald McDonald Houses in Wichita. Throughout the past several months these groups, as well as other diverse groups, have staged both unique and successful fund-raising efforts on behalf of the RM Houses of Wichita.

The Deepwack Medical Auxiliary hosted a progressive brunch which was open to the public. Guests visited three off-peak Wichita homes and enjoyed a variety of tasty brunch type food which had been prepared by Auxiliary members. This resulted in a check for \$6,121. Two years ago a similar affair raised \$7,000 for RMH.

Boothell Jaycees of Dodge City took donations for chances which entitled the winner to have the use of a Toyota car for a year. The Jaycees donated the car, paid the insurance and bought the tag for one year. As a result, Danny Gilbert possessed Jim Coering with a check for \$2,000.

A familiar sight to Wichita parish goers now graces the backyard of RMH-1. That is the colorful greenhouse which has appeared regularly on the Wichita Jaycee Tour. North American Veterans donated their services to assist in the move into our new home. Mid-America Building and Maintenance Co. volunteered their services to wash all of the windows at the 9-19-54.

The Trinity Doves, Rhinohissus, Kansas

A Sunday School class, the Trinity Doves, from Trinity Methodist Church in Hutchinson looked and served parakeets to the public this spring. Those efforts netted \$1,000. Delta Theta Tau Society, comprised of 11 social chapters, held its Carolina Quince, St. Landis, La. 75. Auxiliary and Zeta Province chose RMH as its service project for the year. Through their efforts, which included working the concessions at the Kansas Outdoors, Christ was wrapping, hand-been trinkets on medallion necks and Supperware parties, a check for \$1,000 was presented to the South Platt County 4-H club sponsored a Blue-a-Don which raised \$623.

Optimist Club of North Wichita

Midtown RMH families are most grateful to the Optimist Club of North Wichita. They furnished and assembled the beds for the new home as well as purchasing rib-a-way for use. The group also contributed a gas grill for the patio.

The Downtown Rotary Past Presidents Club furnished the smoke detectors for our new facility. Smoking was forbidden by the Independent Order of Foresters, Grand Midway USA 255.

A familiar sight to Wichita parish goers now graces the backyard of RMH-1. That is the colorful greenhouse which has appeared regularly on the Wichita Jaycee Tour. North American Veterans donated their services to assist in the move into our new home. Mid-America Building and Maintenance Co. volunteered their services to wash all of the windows at the 9-19-54.

Projet Beauty 1953 Award to Accent on Kids was four Beta Meltor original sculptures. One pair of sculptures in boy and a girl will be displayed in each house. Shown here is Julia Kania, Special Projects Chairman, and Club-teen Abrahon Pritikin with two of the sculptures.

To all of the organizations, individuals and businesses mentioned a gigantic, sincere THANK YOU, THANK YOU, is extended.

Frank Good Honored For Column

For the annual issue of the Beacon, someone has created a special award for Wichita area newspaper contributors who have done well.

Project Beauty Inc. at its 1954-55 luncheon meeting, presented Good in "Honors for Contributors of Beacon in the Community."

"This is a special award given to Mr. Good for his long association with the Beacon because of the wisdom of his column on neighborhood life," said Norma Allen, executive director of Project Beauty. "His column differs from other Project Beauty columns in that Mr. Good has presented serious, thoughtful articles, not just the particular part of neighborhood."

"Twenty-one citations in honor of our contributors were presented earlier this year to local agents, Project Beauty association members. Allen said the special award will be presented to the Beacon which is a testimony to some individual's contribution to community betterment."

Good, who was a speaker of the Eagle Beacon, said that World War II gave him interested in RMH, began writing a garden column in 1945 for the Wichita Beacon. He has continued the column "Let Our Country" along with weekly garden tips, "Take Frank's Advice" more than 100 times. They are published in Hutchinson's "Life and Home" section.

Good also served the paper "Good Time News" which has helped to 1951, continuing what he called the "RMH spirit -- helpful, helpful and useful. He has since created a special edition of the Beacon which is titled in RMH.

Dorcas Schmeider is president of Project Beauty. The organization was founded in 1950 by Grace Haffner, vice chairman of Southward Business Bank, to encourage beautification of Wichita park and neighborhoods.

The next citations for beautification of neighborhoods include: Mrs. W. Douglas, Five Equipment Company, 121 S. Green, Union National Bank, 11th and Washington, and Central Market, 1211 S. Broadway. Citations to individuals were given to Mr. and Mrs. Gilbert Anderson, Mrs. and Mrs. Lester Anderson, Dr. and Mrs. Edward Zimmerman, L. Doreen Collins, Mr. and Mrs. Larry Doreen, Mr. and Mrs. Robert W. Jackson, Howard Wilkins, Jr. and Mrs. Walter Phillips, Mr. and Mrs. Lewis B. Shickler, Mr. and Mrs. Kenneth Stinson, Mr. and Mrs. Larry Priddy, Mr. and Mrs. Charney Beckwith, Mr. and Mrs. W. Lee Walker, Mr. and Mrs. G. W. White, Mr. and Mrs. Arthur Shickler, Mr. and Mrs. Edna Kania, Mr. and Mrs. Robert Bond, Mr. and Mrs. John DeThompson, Mr. and Mrs. Walter Grant, Mr. and Mrs. E. E. Balle and Mrs. Irene Gragg.

Dear Members

March, 1984

What a lovely surprise Ruthie Reize gave us in February! Let's hope the beautiful Spring weather continues through March.

Our February meeting once again, was almost a capacity crowd - 134. We enjoyed hearing about "Africa's Lion" - couldn't it have been fun to hear a little about the families who lived living in those old houses! And -- our first recipient of Project Beauty's new "Tribute of Beauty" citation, Frank Lord, seemed to be really delighted with the honor given him. Our compliments and thanks to Reedification Chairman, Irene Hanfins. For the beautiful job she did in designing and creating our new citation. We were Irene "aired and dried" some great professionals in order to have their expertise and advice on this project. Our thanks also, to Lila Miller for her special "touch" in connection with all our citations awarded. We want to thank our February hostesses, Doris Mayhew and Carline Gullen, and Special Arrangements Chairman Barbara Carlson, for holding to make the afternoon with a lovely SWF PAF up. Also our thanks to Clayde Sinclair and his telephone committee and to Lorile Taylor and Leta Heston, for all THEIR HELP in making our meetings go smoothly.

Our MARCH MEETING is just around the corner and we think it will be both great fun and informative!

Date: March 26th
 Place: Rolling Hills Country Club
 9612 W. Regis
 Coffee - 9:30AM Price: \$4.50
 Program & Arrangements
 Brunch - 11:00AM
 Program: Screen material - "Understanding Landscape Gardening"
 Hostess: Kay South, Betty Rinkler and Norma Lee Reizec

For you who have not seen the newly redecorated Rolling Hills, you are in for a treat! RECEPTIONS ARE A MUST and ROLLING HILLS MEETINGS IS ALSO A MUST! Our reservation policy will be effective, as written in the February newsletter, the rest of the year. Those making reservations and not coming to the brunch, will be billed. Several times this year, we have had to pay for reservations not kept. By the end of the year, if we have had to pick up \$40.00 worth of unused reservations, that means alot of cancellations had to be made to pay the bill! We are also going to continue to see that you pay by check or cash mailed in an envelope. Have you noticed how much faster our line hours with that arrangement. We hope to see you there---

Deerl Chairman, Virginia Cooley, is doing a really great job and she tells us that she still has become available. MAD .. a great big thank you to "super peon seller" Theda Sherman who sold 5 CARDS by herself! We have had a lot of other members who sold very large amounts and we thank them one and all for their efforts.

...Speaking of efforts -- the efforts of the Carleton Sales Chairman Jeanie Thomas and Doris Timmer and their super sellers paid off at the Valentine Carleton Sale -- it was a super success! Thanks to the following ladies who helped with the sale:
 Kathleen Childs Irene Hanfins Prudence Scott Kathleen Herg
 Lillian Hulse Betty Dewey Lella Dugay Marilyn Deckinger
 Shirley Gillen Gloria Tatum June Doley Sue Deckinger
 Bessie Rowles Jean Schick Sue Johnston

Thank you will. Plans are underway for the St. Patrick's Day Sale on March 16th. If you have not been called and would like to work, call Jeanie or Theda. We still need hot sauce, newspaper bags and small Perrier water bottles.

Take a bow Norma Allan and Jean Clark for our super newspaper and TV-Radio coverage!

At the February meeting, we completed our nominating committee by electing Clayde Antler, Joe Wall and Ruth Harrington to serve along with Chris Hamilton (Chairman) and Virginia Cooley from the Board. We will have our election and installation at the May Luncheon.

We are all looking forward to our April Meeting when we will be enjoying "Tea in the Garden" at the home of Irene King. Keep the date in mind, April 19th, and invite your guests. Also - plan now to stop for your budding plants at the tea. See anyone who bought last year -- the plants were beautiful, full and healthy.

We want to say a big WELCOME to 6 new members. This brings Project Beauty's membership to 263. Just a reminder - send dues to Lila Miller. Please add these names to your yearbooks!

Dear Member:

March has certainly been a "busy or round" of weather--something new each day! Our March meeting was enjoyed by all 124 members and guests attending. Not only was Mr. Worezniak's program fun, we learned a great deal about how landscaping in a brief amount of time. Norman is such a popular speaker and we are very proud to have presented him with our new "Presentation of Beauty" citation. It was a lovely evening and we do thank our hostesses Kay Buch, Melie, Miriam and Norma Lee Metzner--and a special thanks to Special Arrangements Chairman BETTIE BICKMAN.

Because of the damp, cold weather, our April hostess Irene King, felt that we would benefit by changing our April 19th date to April 25th. She feels that by waiting one week, her \$5,000 tulips and \$6,000 lilies will be in full bloom. Do look forward to a gorgeous afternoon of brilliant color and beauty on April 25th, when we meet for our "Tea in the Tulips". It will be a lovely, casual party for you and your guests. Of course, we will have for sale beautiful bedding plants. Jerry Ferguson and her committee promise that they are going to be full and healthy and at bargain prices! If you have a special or large order please call Jerry-684-6832 or Evelyn Rustin-685-4150. Our rain date will be the 27th and all reservations for the 26th will hold for the rain date. Once again **RESERVATIONS ARE A MUST** and YOU WILL BE CHARGED FOR RESERVATIONS W/NO SHOW.

April Meeting "Tea in the Tulips"

Date: Thursday, April 25th (rain date - Friday, April 27th)
 Time: 1:00PM - 3:00PM
 Place: 2815 Radon, Benjamin Hills (see map)
 Cost: \$2.50
 Hostesses: Carolyn Drier, Wanda Schwamer, Marlene Burzew

Report of the Nominating Committee: Chris Paulsen, Chairman, presented the following slate of officers for nomination, to be voted on and installed at the May meeting. Additional names may be submitted if prior consent of the nominee has been given.

President: Coleen Altherton-Prichard
 First Vice President: Jean Clark
 Second Vice President: Doris Mathew
 Corresponding Secretary: Alice Martin
 Recording Secretary: Marilyn Gaskings
 Treasurer: Phyllis Nohse

We thank Chris and her committee, Jean Wall, Gladys Kettner, Doris Mathew, and Virginia Gregory. A great job!

...And speaking of GREAT JOBS...Virginia Gregory, Posen Chairman, reports a total of \$412.50 profit on a recent sale. So do thank Virginia and all the good members who sold and bought plants. Special thanks to Luella Dagg, Helge Wickstrom, Theda Thersand and Billy Marcus. See you, Virginia!

March 16th was a rainy, gloomy day BUT our super Carnation Sales sale sold \$125.00 worth of green Carnations! Our help was off to Chairman Jeanie Thomas and Dora Timmeran and to the following members who did such a super job!

Kathleen Childs	Virginia Foster	Jerry Anderson	Ruth Gutrie	Aletha Van Camp
Alice Phillips	Bev Moore	Charlotte Jones	Sam Douglas	Caroline Wright
Iris Howard	Lila Miller	Wesley Riffel	Gweny Garcia	Gladys Kettner

Thank you all. Spreading joy and beauty--the remaining 75 carnations were personally delivered to cancer patients at Wesley Hospital. Our next sale will be National Secretaries' Day, April 25th. If you would like to help sell on that day, please call Dora or Jeanie.

We are pleased to announce that last month a check for \$7,000.00 was presented to the Wichita Bot Museum to be used for flower beds on the Museum's north lawn! It will be such fun to watch this area being "made beautiful" and know that Project Beauty has played a major part in the creation of the flower beds. **Jilly Dewey, Special Projects Chairman**, is still researching other projects.

The Board also voted last month to send a letter to the City Commissioners asking them to remember to keep Wichita "Beautiful" so they make decisions concerning the city's best and Nelson Blvd.

Our Sculpture Chairmen, Elyn Farmer and Coleen Prichard are always busy giving visitors a Great - Project Beauty's Sculpture File! As of March 1st, the file has been shown 145 times to 1,061 people! What a great job these gals do. The file is beautiful and we are very proud to have it shown so many times.

It is our pleasure to welcome 4 new members to Project Beauty! Please include their names in your packets. They are:

Jennie Gibson	682-1600
Marie Muller	687-3454
Wanda Swamer	684-3992
Wendy Ruff	682-1600

One change: Barbara Harvey to Barbara Renner (Old) 557-8418 (Old) 684-3992

If you are not sure that you have paid your dues for this year, please call Membership Chairmen Lila Miller at 945-3640. We now have 269 paid members and there are still some that we would like to join but to this point, have failed to do so.

We are happy to report that Beautification Chairmen Irene King from the Hospital and Loring it way. However, knowing Irene, who won't want to rest too long--so please make a note of your nomination of a beautiful yard, or the name of a business that has made an effort to make their property beautiful and drop lines in the mail to Irene. She will appreciate your help. We want to get our Project Beauty Citations out to deserving citizens!

Today, as I write, it is cold, damp and dreary but everywhere GREEN is popping up and surely that is a promise that all the beauties of spring -- sunshine, rainbows and blossoms, are waiting for us just around the corner! We are looking forward to seeing you as we enjoy "Tea in the Tulips" on April 25th!

More tea & tulips -- Irene King's glorious bill of tulips and carnations was the largest of another tea. See you on May 1 for members of Project Beauty! Barbara Carlson, special ad arrangements chairman, was helped by hostess Carolyn Drier, Wanda Swamer and Gladys Kettner. Among the girls doing tea in the garden were Jerry Anderson, Evelyn Howard, Ruth Gordon, Doris Mathew, Phyllis Gaskings, Bev Moore, Marilyn Gaskings, Bev Moore and Catherine Ahrens-Prichard.

Newsletter

June 1984

Dear Members:

How fast this year has moved by and here we are with our very last newsletter! It has been a glorious spring and a happy year for Project Beauty---

For instance - who could have asked for a more gorgeous day than the one we had for our "Tea in the Tulips" Party? Irene King's lovely garden was at its most glorious best! We all enjoyed strolling thru her tulips and visiting and eating and sipping tea. We do thank Irene for being so gracious again this year and sharing her garden with us. We also thank Barb Carlson and the committee who served very hard to make it such a lovely day. Hostesses for the day were: Carolyn Griser, Lois Hubbard, Sally Dewey, Betty Rade, Jeanice Thomas, Dora Timmerman, Chris Paulsen, Colleen Albertson-Richard, Elynn Farmer, Virginia Hubbard, and Jean Light. We had well over 100 attending, a real record. Project Beauty did present Irene with a pair of stately birds to let her know how we appreciated her generosity.

And the Bedding Plant Sale the day of the tea was a grand success! Thru the efforts of our sales committee, headed by Jerry Anderson, we became about \$300 richer. The plants were beautiful and the salesgirls were busy. Selling were: Bea Connolly, Ruth Subritz, Evelyn Austin, Kathleen Childs, Irene Hanfrey, and Betty Gesson. Thank you, ladies for a wonderful job!

We received a lovely letter from Howard Woodin, Director of the Wichita Art Museum thanking us for the money to plant the lawn of the Museum. Please note as you drive by, we are very proud of this gift and

We also presented a check for \$2,000 to Costway to be used for plantings appropriate to the area, to be placed around the Hunger House when it's renovation is completed. That area will be an exciting project we will all want to watch for. These plantings probably will not begin until sometime in the fall. Money for Project Beauty --- even't these great investments we have made in our beautiful city????

Last fall, we also presented \$100.00 to the Downtown Wichita Christmas Lighting project. We have done this for several years and we feel that we all enjoy the beautiful holiday atmosphere these decorations provide during the holiday season.

....And helping to make these funds available were the ladies selling carnations on National Secretaries' Day. The sale was not as successful as we had hoped for but we do appreciate the efforts of the following sales who worked on that day: Dora Timmerman, Jeanice Thomas, Kathleen Childs, Lucille Sperry, Sally Dewey, Elynn Farmer, Harlene Subritz, Carol Timmer, Marilyn Schriener, Jackie Heger, Alice Phillips, Velva Riffel, Lou Howard, Lois Hubbard, Jean Schulz, Marsha Deuler, and Carolaine Wright. Soupsats to you all!

Kathleen Childs has recently had surgery but is now at home recuperating. I think she would enjoy a card. Our love and good wishes to Kathleen for a speedy recovery.

As of April 23, 1984 our beautiful Sculpture File has been shown 147 times to 2,447 people! Doesn't that boggle your mind! Elynn Farmer and Colleen Albertson-Richard have been very, very busy ladies this year. They had several dates in May which will charge these numbers.

Our May meeting at Crestview was great fun! We completely surprised, we think, our 3rd recipient of our new "Promotion of Beauty" Award when we presented this citation to our own "Tulip Lady", Milly Martin. Milly has contributed so much beauty thru the years to our city and community. We take great pride in recognizing her and her efforts. Again, Milly - "Our love and congratulations!" Kathleen Childs gave us a lovely afternoon of music with the Sandness Madrigals performing --- and the lunch was delicious. We thank our hostesses Julia King and Ruth Harrington and our special Special Arrangements Chairperson Barbara Carlson for making it such a May treat for all of us.

We had our election of officers and their installation by past President and Advisor Chris Paulsen. We were excited and delighted with the new officers for next year. They are: President: Colleen Albertson-Richard Corresponding Secretary: Alice Martin
1st Vice President: Jean Clark Recording Secretary: Marilyn Desjardins
2nd Vice President: Doris Raynes Treasurer: Phyllis Hubbe

My deepest thanks to our wonderful Board, our faithful sellers and to all of you who helped in any way, hostesses, flower sellers, etc., for being so supportive and so willing all this year. I also thank all of you for your attendance at our meetings. It has been a wonderful year. Our organization has grown and we have done great things together and we have had fun! You presented me with a beautiful little cutie bird, which I shall cherish and enjoy and I thank you for it. However, it seems to me that you all should receive the accolades! We are looking forward to next year and already your new officers are planning great and exciting events for your pleasure. Mark September 21st on your calendar - the date of the Membership party for Project Beauty. See you then. Have a happy summer!

Sincerely,

Doris

Reservations due November 19, to Charlotte Jones. Luncheon reservations may be made by check only.

PRESIDENT'S HIGHLIGHTS

Meetings: We are very thrilled to welcome 102 new members into Project Beauty. Let's make them all feel welcome and at each meeting make a new friend.

October was an enlightening program given about Gardens, the Garden Center, presented by Fern Smith held at the lovely Fellowship Club, which was arranged by Celia Paulson, Ellen Farmer, and Charlotte Jones. Project Beauty has several charter members of Gardens and we glad to be represented there in the beginning of organization we presented Gardens with a \$200.00 check for a special garden.

Cell Fax—we are still reminiscing about our lovely afternoon at Joan Swanson's.

November 11 will be our last meeting until we meet again February 20. For a luncheon meeting at 12:30 at the University Club for a mass meeting and program by Joan Felix planned by Thelma Nuber. Please refer to your informative pamphlet prepared by our own Paul Buck and Membership Chairman Betty Napp. A great big THANK YOU to both of you.

Immediate Programs are being shown by Mary Wright who is doing an excellent job and the slides are outstanding. If you need a program, call Margaret, 727-8255 and set a date.

Let's have a record breaking turnout for our membership for November 21!!!

Thank Holidays to each and everyone of you and remember to stop and smell the flowers.

God Bless!

CITIZING Reservations: The following home was applied successfully in the last letter:
118150 needed in LeRoy & Helen Sandberg, 1024 Strafford,
Landscape: Ideal for size of lot and shape of house. A yard that absolutely required tender loving care.

Member Citation: Johnstone for her, 501 N. Milliken. Her landscaping, tasteful entertaining, maintenance of the grounds and the building, the attractive planting of the parking area, the skillfully very attractive appearance of this new building certainly more than meet the guidelines of merit for a Community Citation Award.

Dick and Joan Swanson, 402 Lyndon. The landscaping of this splendid yard, the colorful flowers and their arrangement, the beautiful swimming pool, all done in excellent taste, makes this yard deserving of a Citation Award.

PODSUETTA SALES & MINERALS

Thanks to your cooperation and endorsement, our poinsettia sales increased again for this year. From the sale of 376 plants, we netted \$2031.07--an important factor in the choice of our club's beautification presentation to Wichita this year.

Many, many thanks to the helpers in sales and distribution of the plants: James Klump, Ben Lovell, Dennis Miller, Betty Melzer, Ferna Murphy, Gene Popeworth, Edwin Rubin, Pat Richardson, Faye Scott, and Ethel Williams really hustled these plants in and out of the YAC lobby, graciously aided by the staff, who drove out Nurser and six other selected plants to businesses, and truly Christmas elf, Paul Fells, helped wherever and whenever needed.

Trusting that your plants added beauty and joy to your holidays, we wish to thank you once again for your encouragement.

NEW PLANT INTRODUCTIONS FOR WICHITA

John C. Fair
Research Horticulturist
Wichita, Kansas

Plant hardiness is generally indicated by zones of zone maps and hardiness zone maps or one established by the Arnold Arboretum. The 2 about six hardiness zones but are both based on the lowest minimum temperature. For purposes of this discussion, plants mentioned will be those hardy to -10°F, and some are much hardier.

New introductions come from various sources such as foreign plant exploration trips, breeding programs and superior selections made by the nursery industry. Most selections are given cultivar (cultivated variety) names and propagated vegetatively as a clone whether through cuttings or by budding or grafting. Other selections and introduced species are propagated from seed.

The following list of trees and shrubs have grown hardy at Wichita, Kansas and are worthy selections for landscape use. Most possess one or more improved ornamental characteristics. Availability may be limited on some species.

TREES

Amelanchier alnifolia—Black chokeberry, a fairly coarse texture but attractive shrub with white and black, grape size fruit. Primarily a wildlife shrub, it can be used in the foot hedge in landscapes, especially in wet areas.

Asplenium nidus—Autumn olive, a conservation or wildlife shrub, smaller than Russian olive silvery foliage. Cultivar 'Cardinal' reportedly has redder fruit than the species.

Chaenactis "China Girl"—A new selection since introduction of the "blue" hollies as hardy. It carries perennials but also has tolerance for the Chinese (F. chinensis). Early rains indicate this selection is more suited to the warmer of winter hardier than other Chinese holly such as 'Berford'. Pollinate with "Blue Prince".

Warren's Red—A deciduous holly with more upright growing than the species, a naturalistic landscape with persistent, winter fruit.

Blue hollies, hybrids of F. chinensis x F. chinensis, created by Eastman the species name, possessing good hardiness but not best trees. Artificial cultivar is "Blue Princess", pollinated by the very attractive male, "Blue Shabby", landscape plants needs a cool exposure to survive.

Hydrangea "JK"—A H. serrata x H. serrata hybrid with extreme hardiness and brilliant green leathery foliage turning blue color in fall. Flowers are earlier than most azaleas and lavender in color. Hardy evergreen azaleas at Wichita include "Purple Splendor", "Nine-Crimson" and "Nerby Red".

Blue starburst "One-low"—A fragrant sumac in a small package with maximum height four feet, an excellent drought tolerant, native selection for sandy soils and naturalistic landscapes.

Viburnum "Chesapeake" and "Zakino"—new National Arboretum selections hardy to zone 4 and noted for excellent fragrance. Other fragrant selections are V. laddii, a compact form with maroon fall color, V. carolinianum, a much larger plant with corresponding larger, fragrant "shell" type blooms and V. saccatum, a new semi-evergreen, fragrant introduction.

Group Has Lunch for New Beauty

Beauty luncheon—Members of Project Beauty gathered at the University Club for a luncheon and a presentation by John Fair about new ornamental plant introductions. Helen Dwyer, Charles Engleman, Betty Brennan and Deane Weger greeted guests. Among those being introduced to ornamental plants were Mabel Kravis, Ruth Matthews, Lovell Crawford, Joyce Martin, Elaine Allen, Mona Murphy and Susanna Krumholz.

Lawn and Garden Show Brings Prairie Inside

Thousands of flowering plants will be in their peak of bloom, surrounded by the largest number of ornamental lawns and garden exhibits in the show's history.

John Womers, KTCO (and jockey) country-music singer and author of the theme song for the TV show "New Guy Will Travel," will entertain.

The Wichita State University District Band and the Wichita Beaux Band will play.

A large, supervised playground area, covered with 20 tons of sand and sporting seven tables of ping-pong equipment, will be open throughout the show.

The Fraternal Order of Police will discuss with parents the lead-a-child program.

Friday will be Senior Citizens Day from 10 to 2 p.m. Admission for senior citizens will be \$1.

ALSO ON FRIDAY, from 2 p.m. to 1 a.m., approximately 1,200 fourth graders from Wichita and area schools will be given tours of the show, guided by members of Extension and Volunteer Units and Project Beauties.

The children will have lunch on outdoor tables, such as recent installments of a power lawnmower, and gardening. Commercially prepared refreshments will be available.

The fees for each child will be a hands-on program.

Greg Hammond, chairman of the board of directors for the Lawn, Flower and Garden Show, stands in a garden bed with bright color.

The show takes months of planning and preparation, plus nearly a week of setup time by landscape crews.

lead of decorative plants to top the award lawn and turf areas of the show. The show will be open from 10 to 5 p.m. on Friday and 10 to 4 p.m. on Saturday.

The STRONG selection exhibit of the show will be coordinated by the show's planning and design committee, which will be held on Friday.

The STRONG selection exhibit of the show will be coordinated by the show's planning and design committee, which will be held on Friday.

The city Water Department's 10th back progress of water conservation will be demonstrated and explained.

The Wichita Horticulture Research Center will display native plants and cultivated turf and ornamental plants being evaluated for suitability and value in our area.

The county extension service will have a literature booth manned by horticulturists.

Twenty-two horticultural organizations will conduct tours in display and discuss their purposes and activities.

Members of Seneca will have a booth and show. Seneca, now under construction, will be open to the public in the Park.

Extension horticulturists will have a booth and show.

PRESIDENT'S HIGHLIGHTS:

Meetings

It is a pleasure to serve such a worthy organization. The last meeting was backstaging and the next one at Rolling Hills, March 20, at 12:30, will also be delightful with an enlightening program. Please save your check for reservations now and bring a friend.

We are planning a beautiful Tulip Tour which all of you will want to participate with only \$1.50 a ticket, so bring your family, friends, and relatives and enjoy the gorgeous sight at Irene King's. Please note the change of dates for the tour from our last newsletter and mark your calendars to April 10, 19, and 20.

Everyone is elated to welcome 163 new members to date and most of the 372 have renewed.

We kindly thank again to everyone for all your loyal support with attendance, buying tickets for the tour, and for helping with the Lawn/Lowes and Garden Show. It's always nice to have a new experience and meet new friends, so please continue to sign up to help.

"Keep smiling—People will wonder what you're up to". Come for another nice experience on March 20. To be assured of a reservation, sign up. Now! See you then. God Bless!

Your President,

Imogene

SUCCESS PROJECT BEAUTY'S first participation in "Springtime On The Prairie" at the Lawn & Garden Show was indeed worthwhile. The committee of Mildred DeBenedis, Irene King, and Pat Richardson express our sincere appreciation to each member who contributed to the event. A SPECIAL THANKS to those of you who served our Project Beauty table and acted as Tour Guides for 2000, 4th grade school children. We feel we acquainted many people with PROJECT BEAUTY'S effort to promote beautification in Wichita.

Many of you will be glad to present our Sculpture Program for any of your clubs. Give her a call.

Remaindering Committee: Chairman, Bernie Allen, Mavis Buck (Board Representative) Pat Aldis, Marcelle Surrupel and Phyllis Crawford (elected from members at George). The new officers' names will be presented and elected in April with installation in May.

Vandals Ravage Blooming Tulip Bed Owner Isn't Taking Loss of Front-Yard Flower Plot Personally

The vandals made a big
mess. They tossed tulip
buds all over the Kings'
front yard and into the
street.

Lewy King is an avid flower planter and her
new garden area is a well-known feature in her
neighborhood. Her garden,
over one acre and containing more
than 10,000 tulips, is usually
in perfect beauty's best.

Her garden, best and back, are filled with
flowers. But she isn't taking the loss of her
front-yard tulip bed personally.

Project Beauty's Tulip Tours to Benefit Botanica

The annual annual public Tulip
Tour, sponsored by Project
Beauty, is under way here
after 100,000 tulips and a variety
of other flowers can be seen in
Lewy King's back yard, at 2418
Broadway in the Botonica City Addition,
west of 21st and Ardmore.
King's yard will be open to tours
today and tomorrow, in well as
Saturday and Sunday, April 19-20.
Hours are 10 a.m. to 7 p.m. Sunday
and 10 a.m. to 5 p.m. Saturday.
Color photos of red and white
tulips in King's yard, photographed
by Doris Hender, can be seen on the
tour of this section.

King shows her flowers with
Project Beauty, a non-profit organiza-
tion, to help beautify Wichita.
The admission is \$1.00 adults
and 50 cents for children under 10.
— will be put right back into work.

This year, the proceeds are dis-
posed of to go to Botanica, the botanica
garden's main construction.

"Botanica" is a botanical garden under con-
struction at Sun Park. The Conservatory
should be open in September, and is located
just south of the main entrance at Ardmore
and Murock. A series of exhibits and a
number of gardens are planned within the
9.6-acre complex. The 9,000 square foot
building can accommodate 400 to 500 people
and will have a gift shop, library, meeting
rooms and office space.

At the kind planning of the
past year, an additional \$200 was
given to memory of Mrs. Hender.
The group's work has involved
donating \$100 annually to the
Botanica Garden Society.

ANNOUNCING - -

A NEW PROJECT BEAUTY FUNDRAISING PROJECT

GOAL: TO COMPLETE A PROJECT BEAUTY GARDEN FOR BOTANICAL

July 20, 1966

Dear Project Beauty Member:

Each one of you has helped PROJECT BEAUTY make a definite impact on the beautification of Wichita.

Now, we have an exciting opportunity to sponsor a special PROJECT BEAUTY GARDEN as a part of the new BOTANICAL THE WICHITA GARDENS in Six Park. Individual gardens will cost \$15,000 and up. PROJECT BEAUTY has already donated \$11,000 to botanica. For another \$4,000 we can pay for a complete garden and take our place in one of the city's truly beautiful attractions, which will be enjoyed by thousands of visitors each year.

This garden will be permanently cared for by Botanica, and a prominent marker will give PROJECT BEAUTY recognition and prestige as the donor.

Every member can take pleasure in sharing in this unique contribution to Wichita by hosting, at her own expense, a luncheon for five or more guests. In return, each guest will be asked to contribute \$10.00 to PROJECT BEAUTY for its Botanica Garden Fund. Both hostess and guest donations will be tax deductible.

Isn't this a delightful way to accomplish an outstanding goal?

With every member taking part, we can easily surpass the minimum of \$14,000, and an even more elaborate garden will be possible.

Members who are already planning luncheons for 25 to 50 guests are Rhonda Kym, Ingeborg Fleming, Signora Gosh-ring, Boydine Lightner, Mike Miller, Helga Widdowson, Dora Timmerman, Chris Paulson and Betty Minkler.

Suggestions and guidelines for the luncheon are enclosed, along with a response form. Please return form by August 15.

We hope each of you will be excited and enthusiastic about this project. It will be great fun and enormously successful with your help!!!

Sincerely,

Betty Minkler 138-7005

growing with more than a few meanings. I started with one orchid, which I first thought was funny and unbelievable to Kansas," she recalled. "The orchid I purchased was a large, white cattleya. The first year I was at about 11 weeks old that I did not want to let the orchid society I had it.

"The second year I bought with the beautiful flowers. The third year I was all the orchid society plant could receive. My plant had never bloomed and never had a leaf. I was there for about a year and a half.

"Among the cultural suggestions she would offer to simplify orchid growers are:

• Orchid thrive in morning sun. If you can't open the windows, use a fan to keep the air moving.

• They also like plenty of humidity, so use a humidifier.

• Good light, even sunlight for some types, unless given clearly in a less intense or soft light, is essential for abundant bloom.

• If you use tap water, it's best to let the water sit overnight before use. This reduces the temperature and also allows chlorine to dissipate.

• Chunks charcoal held on top of the fir bark keeps a low temperature in growth and flowering. At least, it does for her.

She has 43 plants, some of which will be exhibited in the Kansas Orchid Society's Fall Show and Sale from 1 to 3 p.m. Sunday in the Sedgewick County Zoo exhibition building. The show is open to the public without charge.

A wide selection of orchid plants in bloom will be on view, as well as a varied selection of orchid plants available for purchase, along with growing information and orchid supplies.

MEMBER'S RIGHTS ONLY

Dear Members!

Our spring flying for the year will be May 21, at Milling Mills Country Club at 12:30PM with an outstanding musical program, delicious food, enjoyable and friendly company. Your new officers will be installed. Please your check-out size for the last meeting of the year in order to insure you of an early reservation.

Due to all of you the officers and board members, we have had an especially successful, successful, friendly, worthwhile year. We wish to say thank you to each one of you, and to those who gave extra work or support.

Again I want to remind the board members to bring duplicate copies of your reports along with the pre-meeting cards to the board meeting May 14, at 7:00AM at Evelyn Hedberg's with Raylene Lightner, Elaine Sigmors and Julie Kline as hosts. Newly elected officers are also invited, and I hope all board members will be present for our last get together of the past two years.

All bills must be allowed at the board meeting on please send Kathleen Childs any expenses you might have in order that the books may be closed and audited by the committee Betty Knox, Julie Kline and Sigmore Goshling before June.

We are very proud of our membership meeting 700 as we want to welcome all new members and we hope to gain even more at the Fall Membership Tea in September. You'll hear more about it later.

Thank you to each one of you for your loyal support the past two years because you are extra special to us and to Project Beauty and the continuous effort to beautify our city. Thanks to all who donated in lieu of the Tulip Tour and I'll see you at the Card Party at PMA Palace.

"A good deed is never lost. He who sows courtesy reaps friendship, and he who plants kindness, gathers love." I'm looking forward to seeing you May 21.

God Bless!

Suzanne

somebody to meet that, in our last issue called it, "a glorified flower club."

There still exists a year since a small enough group to give. That's only the cost of a couple dozen roses or a six pack of beer. Things that anyone buy regularly and "affordably." So, it's not the money that worries many individuals, it's the trust that the Kansas people have bestowed in the club, and Laine with the new hatcher. A lot of anger says they use it wisely. —Michael Bauer

Making a Clean Sweep

WICHITA—Flourishing a few flowers here and there could be the only thing people think of when it comes to beautification projects. And it's true. Such organizations do plant a lot of flowers and trees. And there's one such organization in town here, but there's more to Wichita's Project Beauty than flower pits.

When Cleveland Sadtger and a few other women founded Project Beauty in the city, planters and about seven more had few projects. "We wanted to clean up the city," says Mrs. Sadtger's son, John. "We had a little program instituted with the help of many very capable women from Wichita. These women were to clean up the streets, clean up the yards, and clean up the streets. And what a benefit! The members worked to create and maintain a beauty in a town of a quarter of a million folk. So you know planting just flowers wasn't at the top of their list. As in the past, Project Beauty wanted to develop a public education program and create a network of cooperation with other city organizations. The group worked closely with John Frueking, park board superintendent of landscaping and landscape planning, and the Wichita school system.

throughout Wichita. It has developed a children program which includes a skills presentation and booklets (including outdoor sculptures on the city, and a few sponsored annual events such as the "May Morning" and "Spring Flower Planting" and the program at the Wichita Art Museum and at the Douglas Avenue median strip.

Project Beauty's emphasis on litter has subsided in recent years. "I'm sure all of the efforts are towards beautification, even though it's good but I don't know," says Peg Walters. "But all the other things such as education on litter and on the schools are new in the approach. The disciplines have changed."

Today Project Beauty is focusing its efforts toward a garden in the city's business district. "The goal is to use \$25,000 to plant a garden at Botanic that will be called Project Beauty Garden," says current President Inesene Fleming. The "official" garden will carry a budget of \$25,000 which has been approved by the city's council. The garden will be located in the city's business district, with park beds for children to play. "A botanical garden is a very special garden," says Inesene. "It's a garden where people started, having over the soil and being planting beds in the park."

"I can't find anyone in the city who would start Project Beauty as a woman," says Sadtger's son, John. "The whole idea that's behind the program has always been beautification of the city." (Over the past 10 years Project Beauty has contributed more than \$40,000 for beautification projects in the city.)

"The next meeting is dinner presentation gifts to the city, such as the new gifts in the Wichita Center for Arts and the garden in Botanic." "What was once a small group of women working to beautify the city now boasts a membership roster of 70. And because of these big numbers, Project Beauty is able to provide citywide beautification projects throughout the city. Litter, Planting." "It's all the most effective method to beautify the city. The Project Beauty has always been in the city and in the city."

PRESIDENT'S MESSAGE
SUEY NEW HERRICK

Since this is the low month, I am sure you would like to spend your time and energy of me still by organizing to bring a new member to our February 20 Luncheon and meeting at 10:30 AM at the Country Club. Starting out year in September, we had 702 members and with 350 new members we now have 1052 members if all renew their memberships. We need 1300 members when I leave my second term in May. So please help me obtain this goal by bringing new members and help your four more outstanding Luncheon meetings this year as well as the Lawn, Flower and Garden Show this month and the "Tale of Two" in April. We will need some helpers for these shows. It is fun to help on the projects of Project Beauty and make new friends. If you can't help, come and enjoy the meeting.

My sincere thanks to all of you and to all the wonderful board members and officers.

"The kiss of the sun forger, the sound of the clock for Alzheimer's never let's heart in a corner that any, where will we stop."

I'll see you on the 20th at the Country Club.

Digging Out State Assessing Storm Damage

By Mark Lankers

Kansas National Greenhouse on Monday began helping western Kansas growers recover from a paralyzing blizzard, while local government agencies across the state assessed the damage from a cold snap that killed flowers and destroyed fruit trees.

But with temperatures breaking through temperatures by the weekend, and — with a high in the 40s — with an upper "Wichita" high, it is hoped that the winter is over.

"This is the worst I've seen, and I've been here since 1945," said Lee Burt, who runs the Burt Nursery & Garden Center at 3115 S. Broadway, "One in Kansas, I never saw anything like this."

Although Burt said the week-end cold snap killed some of his native Europe, he and other plant growers expected their backyard plants to survive the event. But fruit trees that already have blossomed may prefer to fruit this year.

FIELD TOUR CANCELLED

Richard Salove really threw us a curve, therefore we have had Lorraine's first field tour at "Irene's" home, because the trips were really "top" — we appreciate all the work, efforts and dedication of our Project Heavy members on this project. Any donation to support Heavy at this time of disrepairment would be very, very welcome. You could mail your donation to Kathleen Childs, 2519 Benjamin, Wichita, KS 67204.

For all those supporters of Project Heavy who have purchased tickets, a refund will be available. However, should you wish to contribute your money towards the project, heavy efforts, it will be gratefully appreciated when writing for a refund, please mail your ticket and include a self-addressed, stamped envelope to Pat Rittenbach, 2044 S. Pawnee, Wichita, KS 67220.

IN WICHITA, Kansas, which has been battered by cold heavy weather for more than a week, teachers say thousands of color books have killed by high-latitude temperatures and snowfalls as high as 14 in.

In Goodland, Kansas's heaviest snow of 3 inches was piled against sides that the old record established in 1951. In Dodge City, the snow of 3 inches broke the record of 2 1/2 in 1962.

Gov. Mike Beggs on Monday requested an additional session on disaster areas, including the weather that are expected to work out from the Kansas National Guard in coping with the weather.

Army National Guard soldiers with about 70 tons of hay, 10 an estimated 1,000 cubic ft of hay in Trigg, Colo., Graham and Newton counties on Monday. Tractors are scheduled to continue the operation through Thursday in at least eight other counties.

IN WICHITA, the overnight low of 19 degrees within a degree of the all-time record, but with Sunday's high failing to reach the freezing mark, the cold snap was strong enough to see flowers and to already into the orange fruit crop.

"The snow snap is a threat that will follow" said Tracy King, who has been working since 1960 in the field of his garden at 1414 Broadway. "It's the spring a head of time of the flowers."

Wichita's "The News" reported that the weather service said it would issue a dry spell to assess the damage to water plants, but he said the weather in the city will become viable enough to allow most vegetables to survive.

"The best vegetable garden we see damage" that "most" is best.

The President's Corner ... Imogene Fleming

One way to increase a club's membership might be to elect Imogene Fleming, as club president.

It worked for Project Beauty, a club dedicated to beautifying Wichita and surrounding areas. As president, Fleming has recruited membership from 172 to 186 in 1987. "Our job is for this year," Fleming said.

"When she is president of an organization, they should double their membership," said Freda Michie, a member of Project Beauty.

Project Beauty began as a cleanup effort in 1963. Members discussed ways to rid the city of litter and debris. As members traveled throughout the United States and abroad, Fleming said, Project Beauty realized that an organization designed to add beauty to the city.

two-year term as president, which will end in May, have been to increase the number of club members and include a 125,000 Shakespeare Gardens in the park, the botanical garden at Sun Park that are to open this year.

Project Beauty has several fund-raising events, including luncheons at Wichita restaurants and country clubs. It has a

potluck sale during the Christmas season and its annual July luncheon. Tickets to the luncheon — is scheduled for the first two weekends in April.

"I will be at Yvonne King's in Pennington Hills," Fleming said of the fund-raiser scheduled for April 6 and 11-12. "She has done 100,000 tickets which she picks up every year and then puts them back out. Some of the clubs have done huge amounts. They've all done."

Bidding tickets will be on sale at King's home. Tickets will be able to view the lodge at 1418 Beulah between 10 a.m. and 7 p.m. April 4 and 10 and from 10 a.m. and 7 p.m. April 11 and 12. Tickets will cost \$1.50 for adults and 50 cents for children younger than 12.

Fleming is a graduate of Fort Hays State University and is a former high school music teacher.

When she is not performing duties for Project Beauty or the many other organizations of which she is a member, she enjoys square dancing and music.
