PRESIDENT'S PENCIL

by D. B.

Daniel Webster once said, "It is a noble faculty of our nature which enables us to connect our thoughts, our sympathies, and our happiness, with what is distant in place or time; and looking before and after, to hold communion at once with our ancestors and our posterity. There is also a moral and philosophical respect for our ancestors, which elevates the character and improves the heart." We must all have the most elevated characters, and best hearts possible, for by our efforts and interest we are certainly the connection or the "communion" saving all we can find about our ancestors for our posterity.

We hope all our members will carefully read and consider the check lists which come to you with your membership cards.

Do know your help is wanted and needed, be sure to return your lists -- all checked up good, please!

I hope we are all being careful in the use of our Library books, some of which are very scarce and valuable, do be sure you do not add pencil or ink check marks, or underlining, it is a rudeness to others who will be reading the material after you. However remember that many of our books have been previously been owned by members who legitimately marked the books, when in their own possession, before donating them. Also we have many books that are merely on loan to our Library, those books may also be marked, correctly and properly by their owners. Otherwise-- let's be thoughtful of others in this regard.

By the time this reaches you we will be deeply involved with our free genealogy skills classes, again, and our new fiscal year with our new budget for the year will just be starting. We look forward to the year with optimism, and many good hopes for continued growth and maturity of our Society. We welcome, indeed we plead for, ideas which will contribute to the betterment of our services to our membership, and an improved program of the Society. If you have any do share them with us.

Many of you will be taking research trips this spring and summer. Do plan to come back home and share your experiences with us, either at general meeting time, or by writing it up for our Register.

LIBRARY - LORE
Marguerite Warner

First things first. Our thanks to the wonderful volunteer assistants in the library. Much has been accomplished. Several volunteers have taken personal responsibility for some of our projects, some of which are long term projects which, when brought up to date will be of great help to members using the library. Of course, all of these jobs go on and on and will need continuous work to keep up to date.

WE DO NEED MORE HELP TO SITN UP FOR TUESS & SATS FOR MARCH AND APRIL. Remember without help we cannot keep the library open. If you can help us please sign on schedule in library.

The library has been rearranged so there is more table space for researchers. Here you will take advantage of the material available for you to use, in the library or out, as most can be checked out.

Don't forget to check the new magazine shelf. Do remember that publications may have material on other areas than their own. You just might miss the very thing you have been looking for if you fail to check all magazines. A card received from The Bulletin, Yakima Valley Genea. Soc., Washington-- "---please notify your members of the surname index of the two books on KANSAS as advertised on the inside back cover of Vol. 9 # 1."

We have a good stock of Everton Family Group Sheets and Generation Charts. Our laminator is now in operation (again thanks to volunteers). You may leave your material for laminating which will be done when trained volunteer is on duty.

WERDEN

I am looking for a death or burial date for a John & Mary SMITHSON WINSLOW. They lived in Kellogg in 1891. They were living in the household of their daughter Maggie Winslow MARTIN who lived on a farm near Kellogg. John and Mary were born in 1808 in No. Carolina. They migrated into Indiana near Greenfield where several children were born. They they moved to Mt. Pleasant and Salem, Henry Co. Iowa 1856 to 1870, then to Kellogg, Kansas. My grandmother Harriet Winslow married Frank H. Werden in Kellogg 27 Feb. 1873. 1880 Fed Census shows all the families in Kellogg. Margaret died 13 Oct. 1891 near Kellogg and buried in Mt. Vernon cemetery at Kellogg. I have tried to search the Mt. Vernon cemetery and the Union Cemetery. John and Mary would have been in their eighties in 1891. I cannot find where they went or are buried. I have also tried to read some of the Winfield Courier microfilm but didn't get as far as the 1890 film. Any information on the above would be greatly appreciated. I would be glad to pay for copies.-Tressie Werden Teegarden 621 N. Plumer, Tucson, Arizona 85719
