Thanks to the many Volunteers that have helped us through the "Mimeograph Years", your generous help has made it possible to get the "Register" out.

Our get together's on the assembly line have been very enjoyable, as well it has been a place where we all could get better acquainted with each other.

We will need material as we go along in our new set-up so look around and see if you can come up with some Bible, Family, Cemetery or records that we can use for publishing. We like to have a lot of material on hand so that we can fit it in as we set up the next issues. If you have any, get it to the Editors.

PRESIDENT'S PENCIL
by D. B.

Hope you have all been having "fruitful" days. As nature's bounty of fruit and vegetables come in the springtime, so also does the spring and summer season bring us opportunity to visit relatives farther from our home-base, attend family reunions, look up that long lost tombstone, or rummage around in musty old courthouses. Each of these activities brings it's fruit, not always the special fruit we are seeking, but sometimes even a tastier tidbit than we had hoped for.

As an organization, we are reaching our teen-age years. As with all teen-agers, we are having some growing pains. Each year our membership increases. Sometimes this causes difficulties in communication. We are proud of the new format of our "Register", which starts with this issue. We thank our editors, the Pangburns, for their efforts in bringing this improvement, and know our readers will enjoy reading the print. The reading is your part in this two-way communication. Let us know if you suggestions for other ways for us to keep in touch with our members.

In typical teen-age fashion, our library is growing by leaps-and-bounds, and use of it's facilities keeps increasing. With additional furniture, and some re-arranging, our good Librarians and their assistants, we will continue to be a pleasant researching location. However as always, we are looking forward to the day when we can have our own "home", each book sale, bazaar, or rummage sale is working toward that end. We also have a committee actively seeking out possibilities.

Our place in it's growth may be compared with this quotation from Goethe, who in speaking of family history said. "Happy he, who with bright regard looks back upon his father's fathers, who with **joy recounts** their deeds of grace, and in himself, valued the latest link in the fair chain of noble sequence." Or, perhaps more cogent, this anonymous quote, "You have to do your own growin' no matter how tall your grandfather was."

Our Teen-ager will soon be full grown.

- - - WORKSHOP - - -

As I write this in the merry month of May, almost June, we think of all the great plans we have for the summer and this fall. Plans for ourselves personally, and for the Society have been well formulated for the Summer, so now we should look to plans to renew our enthusiasm for the Genealogical Research this fall.

With this in mind we are planning a Workshop, Seminar, or conference, or whatever help, where we can embellish our efforts with, and have set the time for -- October 1977. We are still looking farther into the future with plans for another one, possibly in March 1978.

Now, as you know, it helps a lot to know what people would like to have in the way of subjects discussed, and topics to be covered in a Workshop. We would also want to know if you would like to have a well known lecturer or speaker. If you want suggest someone in particular, let us know and we will try to get them, if possible.

If you, our Readers, can help provide the answers to the questions, then our efforts might please you more. Otherwise, we will try to provide subjects and speakers we think you might find interesting.

Reviewing our two recent series of classes which catered more to the Beginners we feel there are a lot of us a little more "advanced" who would like some aid in pursuing our searching, and, for that reason we feel that a Workshop or Seminar or Conference, might be timely and very interesting for which we are hopeful, it certainly will be helpful.

So now we invite each and everyone of you to write to us your suggestions for topics and speakers, get them to us right away so that we can begin our plans. We will give all suggestions very thoughtful consideration, because, pleasing you will be pleasing us too.

Let's all work for, and plan for a successful Workshop this coming October. Let us hear from you.

Yours for Successful Searching

Oscar Blase, 1st VP & Program Chm.

"SHACKLETT"

Mildred Blubaugh

From information and records obtained from widely separated places the following records are made. With very few exceptions all agree on names, dates and places.

John Shacklett, native Frenchman, born in France, in the year 1678 is the earliest member of the family which we have any record.

Ben Shacklett son of John, born in France 1710, came to America with his wife, Sarah Blancette, sailed from England in 1740 and settled in Fairfax County, Virginia. The record indicates that Ben was a fencing master. They had one son, John. After the death of his wife Sarah Blancette, Ben with his only son returned to France where he married Catherine Tucker. Later with his second wife and son John, Ben returned to America.

1. John Shacklett 1678
2. Benjamin Shacklett 1710
3. John Shacklett, son of Ben, born in Virginia 1743, died 1809, married Barbara Quick, of German forebears, about the year 1770. Barbara Quick was born April 1746, died March 2, 1846, age almost 100 years.

Records indicate the Shacklett and Tucker Families were indignant over John's marriage to a German girl, presumably, because of bad relations between the French and German people, and became estranged. John took his wife and the property inherited from his mother, Sarah Blancette, and moved to Cheat River at the foot of Cheat Mountain in Fayette County Pennsylvania.

After her husband's death in 1809 Barbara Quick Shacklett, with her children moved to Meade Co., Kentucky in the Spring of 1810. At the age of 64 she made the trip, a distance of about 500 miles on horseback with her youngest son Jesse.

She is buried on the High Ground of Hill Grove, near Ekron, Meade County, Kentucky. One son, General Bland Shacklett, and Rachel, his wife are buried at Hill Grove, beside his mother.

A book, entitled "Early Times in Meade County, Kentucky" devotes considerable space with high tribute to the Shacklett Families. John Shacklett was a private in the American Revolution in Captain Nicholas Shinn's Company. He was a Ranger on the Frontier, 1778-1783.

The will of Ben Shacklett 1710, in Union Town, Penn Registrar and Records office in Will Book I, P 23, dated July 6, 1781 and probated July 17, 1784, names granddaughter, Sarah Quick, the daughter of Barbara Quick Shacklett, and grandson, Benjamin; Elizabeth Tucker, Jane Setterfield; Ann Stillwell and John Shacklett, my four children, utterly disallow, revoke and disanull all and every other former testament, will, Legacy, and bequeaths and executors in anyway before named. The will of John Shacklett, 1743-1809, is on file in the office of the Registrar and Recorder in Union Town, Pennsylvania, dated Sept 29 1809. He names his children, Sarah Jenkins, Benjamin Shacklett, Priscelia Horne, Katherine Davis, Mary Fulton, Hanna Hayden, John Shacklett, Blanchert Shacklett, Sophia Hayden and Jesse Shacklett, and, wife Sarah Quick Shacklett. Executors; Benjamin Shacklett and Charles Brownfield. The will was probated

There were many "unknowns" listed, the book showed the amount paid but not the name of the one who paid it. R. A. Davis seemed to have more land than any other taxpayer.

The entries were written in the tax book crudely and haphazardly by different people. Some of the taxpayers were listed by last name only.

Sumner County, Kansas, Wellington, City Tax Lists cont'd:

By 1874 R. A. Davis seemingly had bought most of the land in the city of Wellington. This name was shown on page after page of having paid the taxes on city lots. There were many "Unknons" the same as in 1873.

On these 1875 Tax Records very few given names or initials were given, just last names.

R. A. Davis is still paying the taxes on most of the lots in Wellington. The writing is improving but many letters are difficult to make out because of swirled and curved lines used to make capital letters which was found in English penmanship. There were still many "Unknown".
