### President's Notes

The busy days of December will soon bring an end to the year of 1970. We want to welcome each of the 60 new members who have joined the Midwest Genealogical Society this year. It is our hope that every member has made some progress in their research this year.

A panel program is planned for the Saturday meeting at the City Library Auditorium on December 12. The Program chairman, Mrs. S. R. Reeves, would welcome your ideas or suggestions for the coming year.

We are planning to sponsor a series of classes on Genealogical Research in early 1971. Mrs. Wilma Fry has consented to teach these classes. Mrs. Fry is a capable, knowledgeable lady who will give much help in how to proceed with your research. We are both fortunate and pleased to be able to secure her as an instructor. Dates and location will be announced later.

I want to personally thank each member of the Society and the Board of Directors for the willing cooperation you have all given during this past year. It's people like you that make nice ancestors.

May you each have a happy holiday season as we enjoy the blessings and comforts of a free country. We'll look forward to seeing you again next year on January 9, 1971, for our regular Saturday meeting at the Library.

With Best Wishes,

Mrs. Ygnacio Cortez, president

## LIBRARY LORE

By Harriette Hammer, Librarian

The new look of the Midwest Genealogical Society's library has brought some favorable comments. The addition of more book shelves made for us by David Brehm, allows more space and better arrangement of books. Also, about one hundred volumes of magazines have been placed in stiff binders so they can be stacked on shelves.

A magazine rack has been set up where the new quarterlies are placed for the members to read at the library. These will not be loaned until they have been at the library for one month. This way members will all have a chance to see the new issues before they leave the library.

The speeches presented at the World Conference on Records at Salt Lake City, Utah, in August 1969, were published by the Genealogical Society of Salt Lake City. Our society has purchased these books and they are now available to our members.

We have also purchased the following books:

- Index to the 1830 Federal Census of Illinois, Vol. I, compiled by Gill
- Index to the 1830 Federal Census of Illinois, Vol. II, compiled by Gill
- Listing of Persons Mentioned in Townships of Shelby County, Illinois, 1910 History.
- Patron List of Shelby County, Ill. 1875 Plat Book
- Cemetery Records by Mr. and Mrs. R. D. Gray

BOOK REVIEW

FAMILY OF

HANS MICHAEL and MARIA VERONICA

HORLACHER

by

Levi Jackson Horlacher

and

Vaneta Thomas Horlacher

Levi Jackson HORLACHER and Vaneta Thomas HORLACHER have compiled a record of the descendants of Hans Michael HORLACHER and his wife Maria Veronica. It is written in an easily understood manner and contains a great deal of genealogical information making it possible to trace the ancestors of the persons included.

There are 241 biographies of family members including the following allied lines:

ACTON	CALDWELL	JONES	McDANIEL	STOCKER
AKEY	CARMICHAEL	KEITH	OLDT	STRANGE
BAER	COOPER	KEOWN	PARDEE	THOMAS
BAILEY	COWLEY	LINCOLN	SAINDON	TODD
BASTIAN	DORNER	MACTO	SANKEY	WATT
BIRUM	EBERHART	MAHIN	SCHOMAN	WARD
BLANK	EVANS	MEILI	SCHROEDER	WEAVER
BRELSFORD	HAMPSON	MENNACH	SHEIRER	WHETSTONE
BRONG	HENNINGER	MORY	SHERRILL	
EUFORT	HUBBARD	McAHREN	SIEGFELDT	
BURNS	HUNDLEY	McCOMBS	SMITH	

The book is completely indexed. To the knowledge of the authors, this is the only publication dealing with the HORLACHER family. There is a brief history of the "HORLACHER" name and lists many variations of the name.

Hans Michael HORLACHER, his wife Maria Veronica, and daughter Maria arrived at the Port of Philadelphia, Province of Pennsylvania on the ship Pennsylvania Merchant from Rotterdam. They came from Germany, probably Wurttemberg. The Pennsylvania Merchant docked 10 September 1731 and the next day Hans Michael took the oath of allegiance to Pennsylvania. Thirty-one years later he passed the requirements and was certified as a natural born citizen of Great Britain and it is so recorded in the Pennsylvania Archives.

## ORIGIN OF YOUR NAME

In early times most people bore only a first name. Along about the time of the Norman conquest of England, however, the nobility began to use the titles of their ancestral estates as surnames. The rest of the people followed the example, and proudly assumed the names of their trades, such as Smith, Baker, Miller, Clark (Clerk), and many more that you will recognize among the names of your friends today.

Other names show simple relationship of father and son. For instance, Wilson was originally William-his-son. Thompson and Johnson and many more were formed in the same way. Indeed, in almost every country you find names indicating this relationship.

The prefix O' in Ireland and Mac or Mc in Scotland has this meaning. That is, O'Hara means the son of Hara, and MacCarthy means the son of Arthur. The French word for son, "fils," was corrupted into Fitz. Thus, Fitzpatrick means the son of Patrick and Fitzgerald means the son of Gerald. The Welsh indicated this same thing by the word "ap." In this way David the son of Howell was called David ap Howell, which gradually became Powell. Ap Richard became Pritchard.

As people moved from one country to another they often became known by place names. A man from Scotland would be called "the Scot," and the surname Scott would be applied to his whole family. Wallace originally indicated a person who came from Wales.

OLD NEWSPAPERS

How delightful it is to take up an old newspaper and con over its  
matter! I carries us back to the days of our fathers and we seem  
to be living and moving about with those who wore cocked hats and  
knee breeches. Every person should take and pay for, a newspaper,  
file it away neatly, but particular to keep the file in some safe  
and secure place. Recollect, reader, that your children and grand-  
children will feel as much delight in reading the papers published  
in the present day, as you do in persuing those of the older time.

" MIND YOUR MANNERS"

Do not push your way of doing research in Genealogy upon others as they may have ideas of their own that are as good or maybe even better then yours.

Do not impose upon those that have worked hard to get the records they have. Doing your own research is very interesting and a lot of fun. If you need help there is always someone to help, but, do not mistreat their generosity.
