NOTICE: Beginning June 1971 we will have only one meeting each month. This meeting will be the second Saturday of each month at 2:00PM at the City Library. The Board will meet as usual.

Dear Readers:

Vacation time is here and we hope all of you have the best of luck if you are doing any Research while you are visiting various places of interest and scources of information.

Here at home the Program Committee has arranged for two very interesting programs, the first one will be held at our regular meeting on June 12th at 2:00 P M at the Wichita Public Library with Mr. Levi Rymph speaking to us on his research. Mr. Rymph has done considerable research here and abroad, and is a very interesting speaker.

On July 10th at 2:00 P M at our regular meeting at the City Library, Dr. V. Dean Schwartz will speak to us on "Family Crests" and "Heraldry", he also is a very interesting speaker. Dr. Schwartz has done considerable research on this and has wood carved some beautiful "Coats of Arms". Plan to be with us at these meeting as we feel that you will enjoy them.

As stated elsewhere in this issue of the Register you will note that starting with June there will be NO Thursday general meetings. The Regular meetings will be held once each month on the SECOND Saturday of each month at the Wichita Public Library at 2:00 PM. If there are any changes as to dates, special events, etc., you will be notified. The Board of Directors will be meeting at their regular time and place.

It will be well worth while for all of us to read the article in the current issue of THE GENEALOGICAL HELPER pertaining to the 1900 census, and then follow their suggestions. It just might be what it would take to get the 1900 census into circulation. Also, be sure and note the write up on German Research and the various sources of information to be found in Germany.

Sincerely

Irene Cortez, President

By, Virgil L Pangburn, Editor.

LIBRARY LORE

Harriette Hammer, Librarian

We are happy to note that many new members of the Midwest Genealogical Society are coming to its library and making use of its facilities and signing up to borrow the books and magazines.

Genealogy research has been stimulated throughout this area by several activities promoted by the Midwest Genealogical Society. First of all, Wilma Fry a member of our Society, presented free genealogical lessons to the general public as well as members during January, February and part of March at the Wichita Public Library. During this time, there were four appearances on the Joyce Livingstone's Show on KTVH-TV by several of our members who discussed genealogy. Then, the Society held a Genealogical Workshop March 19 and 20 at Starkey School. This brought out many novices and new members who were eager to learn the methods of research. The library furnished many books and magazines for the Workshop.

All of these activities have brought new members into our Society and to our library. The librarians and older members are always glad to assist those who are attempting to learn the ways of genealogy. Just ask when you come in.

DONATIONS

A new book which has been added to our library is "Some Magna Charta Barons and Other Royal Lineages" by Dorothy A. Sherman Lainson, B.A., published by Century Enterprises, Huntsville, Ala., 1969. This was donated by Ellen Hiatt, our Assistant Treasurer.

A set of five books composed of four volumes on "Allen Robinett and His Descendants in America" and one volume on the Robinett Family Tree, has been donated by James M. Robinett of Beaumont, Texas, the author.

Other donations are: The Reader's Digest Atlas, "These United States" from Mr. Erskine; "Seward Cousins", Jan. 1971, from Mildred Pierce, the editor; Clippings from Idaho Family Tree, from Pauline Ozbun; Obituary Clippings from the Sunday Oklahoman, from Fern McClelland; Waynesborough Newspapers (Pa.) from Mrs. Wayne Parker, "Williams Family Magazines" from Vera Brown and "Summers, Whose, News, Clues" from Judy Summers, the editor.

LOANS

Three books loaned by Helen Stubby are "Inventory of the County Archives of Indiana, #49 Marion County 1938", "The Descendants of John May Sr. and Sarah Jane (Phillips) May", "The Gerden Family". Alice Weddle has loaned some copies of "Hoosier Journal of Ancestry", the Letter Mart.

BOOK REVIEW

SOME MAGNA CHARTA BARONS' AND OTHER ROYAL LINEAGES, by Dorothy A. Sherman Lainson. 226 pages.

Great lessons may be learned from a study of our ancestors, writes Dorothy Lainson in this detailed work. She points out that even now there may be a struggle "to re-establish our nation's democratic principles." Such struggles demand huge sacrifices by persons willing to pay the price to establish their rights.

It was just an experience under which King John of England was forced to grant the Magna Charta (Great Charter) to his people. John's oppressive rule and heavy taxation led to the acts which resulted in the Magna Charta. It was in 1214 that the Northern barons took up arms against their king. Mrs. Lainson publishes the preamble of the Charter and uses a few quotations, along with the background, which although brief is comprehensive and well worth reading.

This leads easily to a glossary of heraldry, interpretations of coats of arms and a list of symbols for different sons. Additional historical information is carried with the numerous lists of the Magna Charta Barons. The Alphabetical listings will be helpful to many students of ancestors--not only to beginners but to many who have been following the avocation for years.

One needs to spend only a few minutes with this book to realize that this field is not new to the author--to indicate she is well equipped by educational and actual work for the job. Her other compilations include four other works, dating from 1963. The current work has been donated to the Midwest Genealogical Society library by Ellen Hiatt.

MEMORIAL

We have been saddened this past year by the death of two of our members here in Wichita, Mr. Milton Leslie, and Mr. Floyd Farha. They were both very interested in their Family History and had been working very hard at it.

Jacob Dreitzler is Dead

Jacob Dreitzler, well known Labette County resident and citizen of Bartlett, and Hackberry Township, died Saturday night, April 9, at the age of 65. He had been ailing for some time and about two months ago was operated on at Mercy Hospital at Parsons for cancer of the stomach. His condition did not improve and about a week before his death he was brought to Oswego Hospital. He improved for a few days but the affliction had too firm a hold on him to be shaken off.

(Jacob was the son of Jacob H. and Mary (Ertzinger) Dreitzler, born at Hancock County, Ohio. He married December 25, 1885 Labette County, Kansas, Christena (Tena) Kreighbaum-Kivler.)

He leaves to survive him, a son, J. Clyde Dreitzler, and his wife, he leaves also one brother, Eli Dreitzler, of Bartlett. Funeral services were conducted at Bartlett Monday by Rev. West, of Edna, and interment was made in Lake Creek Cemetery, west of that city.

He was one of the influential citizens of that section of the county and was at one time Mayor of Bartlett.

MRS. CHARLES F. KIRKMAN

Ida Dreitzler was born in Warsaw, Indiana, on January 13, 1869, (daughter of Jacob H. and Mary Ertzinger Dreitzler) and passed away at the home of her son Howard W. Kirkman at Grand Island, September 4, 1921, age 53 years, 7 months and 21 days.

She came with her parents to Polk county when a young girl and it was here that she married Charles F. Kirkman (son of Robert and Sophrona Kirkman) February 2, 1886. After their marriage they lived here for a number of years before going to the western part of the state and had since resided at Thedford, Mitchell, and other points. They were well known by the early settlers of this county.

There were four children born to this union, three sons and one daughter, who were all at the funeral. They are Howard W. and Leo F. of Grand Island, Nebraska, Hazel B. of Gibbon, and W. Dennis, of Mitchell. Besides the children she leaves to mourn her untimely departure her husband; Chas. F. Kirkman, of Mitchell Neb., and three brothers, Ephraim of Hastings, Nebr., George A. Dreitzler of Burket, Indiana, and Eli Dreitzler of Bartlett, Kansas, and many other relatives and friends. The deceased was an aunt of Mrs. N.O. Freeman, of this city.

The body was shipped to Stromsburg and the funeral was held at the Eden Baptist church on Tuesday, Rev. Hal P. Fudge having charge. He spoke briefly from the 23rd Psalm and the music was furnished by a double quartet. The floral offerings were very profuse and beautiful. Interment was in the Stromsburg Cemetery.

On January 8, 1914, he had a stroke of paralysis which confined him to the bed for some time, but had gotten able to walk around town and on Friday, May 22, he was out on the streets and the final stroke came at 4 p.m. and he lived until 9 a.m. on the 23rd, when he was called away. He died in the beautiful home which his own hands had erected. He made a profession of religion and united with the Baptist Church in May, 1914, was also a member of the Masonic order. MRS. WILLIAM J. RICKEL

As recorded in last week's issue of the Headlight, Mrs. W.J. A faithful wife and good mother to her children, she will live in the memory of her family and many friends.

Emma Dreitzler (daughter of Jacob H. and Mary Ertzinger Dreitzler) was born at Postoria, Hancock County, Ohio, November 17, 1857, departed this life June 6, 1917, aged 59 years,

Short services were held at the home and the funeral was held at the Eden Baptist church, Rev. J.L. Barton conducting the services. The three sons and three sons-in-law were the pall bearers.

The large concourse of citizens present was a testimony of the universal esteem in which the deceased was held, the profusion of floral offerings, muted tokens of love for the departed one. Interment was in the Stromsburg Cemetery.

"HOWARD CEMETERY"
LAWRENCE CO ILLINOIS
ALLISON PRAIRIE
Near
VINCIENNES INDIANA
Submitted by
Mrs Ross Kirkham

This is a very old Cemetery located upon a knoll, Howard Cemetery is on Beautiful Allison Prairie, it is about three miles Northwest of the Centerville Cemetery and the former location of the small village of Centerville. It is on a main road and when restoration is complete will be a real Historic spot in the County.

The Cemetery contains Revolutionary, Civil War and Black Soldiers. The first burial in the Cemetery was in the Adams Plot and the earliest grave was in 1838. The last burial was in 1902 that of the daughter of V & M B Inboden.

It seems as though many died young in the days of activity at Howard Cemetery. Pneumonia probably accounted for the deaths of the older people and tuberculosis presumably made great inroads with the younger people. Many infants failed to pass the second year.

The Howard Cemetery is located at the north boundary line of the Lawrenceville-Vincennes Municipal Airport, in Lawrence County Illinois and is a small parcel of land about the size of two city blocks. The Federal Government Engineers in laying out George Field, made the north line of the field jog around the old cemetery.
