As I think of our four months plus here at Calvary, I am reminded of Paul's comments to the Christians of Philippi. "I thank my God upon every remembrance of you . . . for your fellowship in the gospel from the first day until now . . ." (Philippians 1:3,5) During this third of a year, my wife and I have concentrated on getting acquainted. It has been a real joy for us to visit in many of your homes and to find your mutual concern and love for the Lord. We still have a long ways to go before we have completed this initial need to know and understand each of you as individuals. Thank you for the many ways in which you have gone out of your way to help us in this matter.

As the new year begins, the officers of Calvary Presbyterian Church have stepped out on the Shepherd Plan in hopes of drawing the church family into a closer, more concerned fellowship. I was especially gratified by assistance in laying out this plan and then the eager response of the different men to take names as their responsibility in this calling plan. Now that we have the "Shepherd Plan" in operation, we will have to work the plan, which will demand the continued efforts of many of you.

As I look to the future, I see as our first need a close walk with the Lord. This may appear as a generalization, for it is always the need of every Christian. However, taking into account the times in which we live, "the cares of this world, and the deceitfulness of riches", it is obvious that every modern day Christian needs a clear understanding of God's Word and a vivid dependence upon Jesus in every circumstance of life. May the Lord lead us so that we will abide in Him and He in us.

The next need of our church, as I see it, is to reach out with the Good News of Jesus Christ. There is always the danger that a Christian group will turn in upon itself and its own perpetuation, taking up its time and energies just trying to keep to keep things going. Now the Lord is concerned about keeping things going. But His attention and leading always emphasize the need of the individual for Him. I feel the Lord sees our church as located in a mission field, with many unsaved folks within a short distance of our doors. Also, He surely sees us as individuals, stationed in various neighborhoods, and on different jobs, placed in strategic positions to speak a good word for Him or do some deed for Him.

My prayer for the coming year is that our Lord, as He builds His church, will use us according to His purposes and that we may be prepared for Him, whatever He may ask of us.

GERALD HALLBERG

DURING THE YEAR YOUR SESSION MET WITH 12 NEW MEMBERS FOR ACCEPTANCE INTO
